The ANNUAL REPORT ON ALLIED DENTAL EDUCATION 1993-94 is a summary of the information obtained from the 1993 annual surveys of allied dental education programs. Data were provided by the administrators of dental assisting, dental hygiene and dental laboratory technology programs accredited by the Commission on Dental Accreditation as of October 1993. At that time, 231 dental assisting, 208 dental hygiene and 41 dental laboratory technology programs were accredited.

TABLE 1 indicates the first-year enrollment in the three types of programs from 1982 - 1993. As indicated, the first-year enrollment increased from the 1992 enrollment for dental assisting by 3.1%. There was a .2% decrease for dental hygiene and a 20.3% decrease in dental laboratory technology programs.

* Starting with 1991, first-year enrollment figures, only those students matriculated in the first year of the dental hygiene program are reported. Prior to 1991, reported first year enrollment figures for dental hygiene programs included students who were in their first, third or fourth years of dental hygiene study.

TABLE 2 shows the total enrollment in the allied dental education programs from 1982 to 1993. Total enrollment increased from that in 1992 by 2.3% for dental assisting. There was a decrease of .7% for dental hygiene and 6.5% for dental laboratory technology programs.

TABLE 4 is a breakdown of the type of educational setting in each of the three disciplines. The top line indicates the number of institutions in that particular setting. In the second line a class's reported enrollment capacity versus first-year enrollment is presented. The first-year enrollment may be higher than the class's capacity due to institutions that have an open enrollment policy as well as the impact of students enrolled on a part-time basis. Immediately following this table is a listing that defines the 'Other' category as indicated on the surveys.

TABLES 6 through 14 present the following information for each of the allied dental education programs: a list of programs, admission policies and data; and enrollment and graduate information.

DENTAL HYGIENE EDUCATION PROGRAMS

TABLE 6 includes the names and addresses of dental hygiene education programs, the names of the program administrators, and the types of institutions.

TABLE 7 presents admission policies and descriptive data on each accredited dental hygiene program. Information includes the award granted upon completion of the accredited curriculum which prepares the student for licensure, the type and number of terms of instruction, the minimum educational background needed to enter the program and the total cost of the program to the student. The number of terms and costs do not include prerequisite education.

TABLE 8 identifies the first-year enrollment capacity, enrollment in each year of the program, and the number of students who completed the accredited curriculum in 1993. The graduates are tabulated by the type of award granted upon completion of the accredited curriculum which prepared the students for licensure.

DENTAL ASSISTING EDUCATION PROGRAMS

TABLE 9 includes the names and addresses of dental assisting education programs, the names of the program administrators, and types of institutions.

TABLE 10 presents admission policies and descriptive data on each accredited dental assisting program. Information includes the award granted upon completion of the accredited curriculum which prepares the student for employment, the type and number of terms of instruction, the minimum educational background needed for admission to the program and the total cost of the program to the student.

TABLE 11 identifies the first-year enrollment capacity, enrollment in each year of the program, and the number of students who completed the employment preparation curriculum in 1993. The graduates are tabulated by the type of award that is granted upon completion of this employment preparation program.

DENTAL LABORATORY TECHNOLOGY EDUCATION PROGRAMS

TABLE 12 includes the names and addresses of dental laboratory technology education programs, the names of the program administrators, and types of institutions.

TABLE 13 presents admission policies and descriptive data on each accredited dental laboratory technology program. Information includes the award granted upon completion of the accredited curriculum, the type and number of terms of instruction, prerequisite education for admission to the program and the total cost of the program to the student.

TABLE 14 identifies the first-year enrollment capacity, enrollment in each year of the program, and the number of students who completed the employment preparation curriculum in 1993. The graduates are tabulated by the type of award that is granted upon completion of this employment preparation curriculum.
